Hi, Dan,

Hope you had a good weekend! It was good meeting with you last week; thanks again for the opportunity!

Thanks for the heads-up on the Serenity Ranch situation.

Ben,  
FYI -- Cheshire has waived its right to a public hearing on the proposed C&D Plan interim change application filed by Serenity Ranch, LLC (see below). I will be drafting OPM's findings and recommendations within the next 10 days for submittal to the Continuing Committee. The Committee will then have 30 days to act on it. -- Dan
